# Kidz Connexion Conditions of Entry

Dear customers,

We are so excited to welcome you to Kidz Connexion! Thank you for your understanding as we adhere to these guidelines to ensure the safety of our community.

## Physical Distancing of 1.5m

Help stop the spread of coronavirus by keeping your distance. Wherever possible stay 1.5m apart and practice good hand hygiene, especially after being in public places. Remember – don't shake hands or exchange physical greetings. Not sure if you're 1.5m apart? Two big steps should do it!

## Maximum Capacity

Seating in our café and all meeting spaces has been organised where possible to allow for 1.5m distancing and the 4sqm rule. Each room has a maximum capacity allowance of people in the room, marked outside the door.

## Hand Sanitiser Dispensers

Hand Sanitiser Dispensers are located in multiple locations on site. We encourage everyone to wash their hands frequently – good hygiene is in your hands!

## Feeling Unwell?

If you or your children have experienced a fever, cough, sore throat, shortness of breath or travelled overseas/interstate in the past 14 days, we ask that you please stay home.
